

Dear Representative,

This is an open invitation for two upcoming job fairs that will be coming up in Berkeley County. We have previously spoken to many of our industry partners and they have expressed an interest in participating. These particular job fairs will be unique in the fact that along with community participants and jobseekers, we have partnered with Berkeley County School District to bus in respective high school seniors that will be eligible for the workforce. The information for these two job fairs are as following:
